

**North Wales Technical Divers**  
**Access Policy V1.3**  
**12 February 2026**

We are open on Saturdays and Sundays, please be at the Nantlle gate for the opening time of 10:00. If you are going to be late, please contact the gatekeeper as soon as possible. The gatekeeper is usually also diving and if you are delayed, they will be available for up to half an hour, if contacted by 10:15. The default leaving time is 15:00 pm to 15:30 pm unless otherwise arranged with the gatekeeper. The gatekeeper is listed as the host on the Spond App event.

Lateness will only be accommodated if it doesn't impact on other diving plans so, please aim to be early rather than on time. The access window unless agreed otherwise is 10:00 – 10:30.

No shows with less than 24 hours' notice or lateness beyond the access window that cannot be accommodated will forfeit any entry fee. Cancellations with more than 24 hours' notice will be refunded fee minus payment charges incurred except for guest/guest trainee entry's that are non-refundable.

Diving is arranged using the Spond App using Group Code: VDUGS. Payment of the gate fee of £20.00 is via the Spond App unless pre agreed with a Branch Officer in advance. Payments will not be accepted on the gate and non-registered divers will not be permitted access.

For the site to open there is a requirement for a minimum number of either three divers or two divers and suitable shore cover.

Other entry times can be arranged in advance subject to the availability of club officers.

Please have some photo ID, e.g. driving licence, cert card, etc. with you when you visit.

Vehicle access leading from the Car Park down to the Divers Platform is for Emergency Services Vehicles only and strictly not for access by NWTD members. If this condition is breached, NWTD's licence to use the site could be revoked.

Policy Date: 12 February 2026

Review Date: 12 February 2029

Approved by: Chairman/Treasurer, Steve Barnard

Seconded by: Diving Officer/Membership Secretary/Secretary, Dave Howson
