Technical Diving Qualifications

To be eligible to join every member must hold a qualification that certifies them to conduct planned decompression dives to a depth of at least 40m utilising a redundant breathing gas supply and experience of cold water diving demonstrated by a certification achieved in the UK or in similar conditions.

Example Technical Diving Qualifications

BSAC – Advanced Twin-set Diver, i.e., Twin-set Diver and ADP

BSAC – Dive Leader with signed off depth progression experience to 40m

CMAS – 3*

HSE – Scuba

IANTD – Advanced Nitrox

PADI – Tec 40

PSAI – Advanced Nitrox

RAID – Deco 40

SSI – Extended Range Nitrox Diver

TDI – Decompression Procedures Diver

If your certification is not on this list please contact NWTD for clarification.

North Wales Technical Divers

Member Agreement

I declare that I understand my obligations as a member as detailed below. Failure to comply with these obligations will void membership with immediate effect.

Member Obligations:-

- To be eligible to join every member must hold a qualification that certifies them to conduct planned decompression dives to a depth of at least 40m utilising a redundant breathing gas supply and experience of cold water diving demonstrated by a certification achieved in the UK or in similar conditions.
- Each diving member shall be medically fit to dive.
- Diving members must not exceed their certification level or experience, e.g. maximum depth, gas mixes used, etc.
- Diving must be planned and conducted with a buddy, solo diving is not permitted.
- All persons who assist with club/branch activities should become members of BSAC.
- The right to vote at the club/branch meeting shall be restricted to members who have a current membership. A membership has expired once passed the anniversary of their renewal.
- Comply with the rules for specific dive sites.

DIVING AT DOROTHEA QUARRY LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT

I _____ understand and agree that the land owners of Dorothea Quarry nor any of their respective officers, employees, agents or assigns accept any responsibility for any death, injury or other loss suffered by me to the extent that it results from my own conduct or any matter or condition under my control that amounts to my own contributory negligence.

In the absence of any negligence or other breach of duty by the respective officers, employees, agents or assigns my participation in diving at Dorothea Quarry is entirely at my own risk.

I have fully informed myself of the contents of this Liability Release and Assumption of Risk Agreement before signing this statement.
